Coca-Cola Refreshments Canada (CCRC) is offering cashless payment options via a new, secure payment portal. Once registered, you can pay for your myCoke order using Credit Card or Debit Card.

IMPORTANT INFORMATION ABOUT THE CCRC PAYMENT PORTAL

- **You must register on the CCRC Payment Portal to use cashless payments***
- Cashless payment options for your account will be visible upon registration.
- Load your credit or debit card. This card will become your default payment method.
- Once registered, invoices will automatically be directed to the CCRC Payment Portal for processing, after each delivery.
- The Payment Portal will also allow you to pay invoices for service, parts and rental invoices as needed.
- All outstanding invoices will be charged to the credit card upon registration.
- It can take up to 24hrs for Credit/Debit Card status to update in the system.

Note: It will not be possible to move between cashless payments and your standard payment type (usually Payment on Delivery or Invoice) on an order-by-order basis.

REGISTER TODAY!

- 1** Visit the CCRC Payment Portal:
<https://secure6.i-doxs.net/CocaColaCanada/SignIn.aspx>
- 2** Create a profile using your Headquarter Payer Account Number and Headquarter Postal Code.
- 3** Add your credit card or debit card information.

***If you chose NOT to create a profile on the CCRC Payment Portal, you will be expected to continue making payments based on your standard payment terms (usually Payment on Delivery or Invoice).**
